Nursery PTA Easter Egg Hunt (during Nursery session - volunteers needed)

Friday 5th April - NURSERY CLOSED (Taster Day for New Sept 2019 pupils)

Tuesday 23rd April - School OPENS for Summer Term

WORLD BOOK DAY - Book Swap

Nursery will hold our book swap/exchange during the last week of this term (1st-4th April). This will be an opportunity for you to bring a book that you would like to give away and swap for another book in exchange. During this week our Nursery library books will not be available to borrow to avoid confusion. Please return all Nursery class library books during the week 25th-29th March. Thank you

Start & End of the Nursery Sessions

Thank you to all those parents/carers who have supported their children in becoming more independent and able to do simple tasks for themselves. Please continue to help us with this:

- Say Goodbye outside the classroom (just back from the door)
- Children to come in and put away their water bottle and coat for themselves
- At pick up stand back from the door so that others can receive their children without the door being blocked.
- If you have something important to say wait until all children are in or collected.

This Week (w/c 4th March)

We have been:

- Gingerbread Man
- 8 & 18
- Semi-circle & cylinder
- i as in insect (NOT ice-cream)
- Dressing up for World Book Day

Learning Opportunities (w/c 11th March)

SCIENCE WEEK

We will be:

- The Enormous Turnip
- 9 & 19, hexagon & semi-circle contd.
- n as in net
- exploring science experiments

Black Trainers (Health & Safety)

All Nursery children must wear black trainers to school every day. This is a whole school policy. In Nursery we have a strong emphasis on outdoor learning and trainers are the most practical for this, in addition Nursery also participate in the Daily Mile.

Termly Donation

Very few people have contributed their £10 termly donation towards consumables. Please if you have not given £10 for the Spring term we would appreciate it as soon as possible (in a named envelope). This helps us to provide additional necessary resources to enhance the children's learning e.g. ingredients for making gingerbread men.

Bee Hotels

Next week, we are hoping to create our class Bee hotels. Please donate any of the following items to help us with this. Thank you

- Offcuts of planks of wood 1.5cm thick
- Brown paper
- Bamboo canes
- Hollow plant stems
- Reeds
- Chunks of untreated hardwood or logs

Share a Story

We have had a few parents sign up to come into Nursery to read a story to our Nursery children. We will be confirming the timings for this over the next week.

We still welcome any other parents/carers who wish to share a story either in English or their home language. This can be at any point during the remainder of the year.

If you have any questions please come and talk to a member of the Nursery team.
