Junk Modelling

Thank you for bringing in junk modelling. We no longer need junk modelling.

Our Learning this Week:

Our focus book for this week was **The Hungry Caterpillar**, we wrote some shopping lists and focused in on the days of the week.

In Numeracy, we extended our knowledge of *addition* by carrying out calculations on number lines.

We also completed some **amazing experiments for Science Week**. Thank you to Miles' mum (Mrs Dharman) for carrying out an interesting experiment for each Reception class.

Next Week

We are continuing to read **The Hungry Caterpillar** with the intention of focusing on the life cycle of a butterfly and other animals.

In Numeracy, we are continuing to work with number lines but now with **subtraction**.

Guided Reading

Please ensure that you read the book with your child everyday and leave a comment in their yellow reading records.

WOW Books

This week in your Wow Books, you could write a list of things you need whilst shopping this weekend!

Soft Finish

Next soft finish is 22nd March 2019.
