Linking our Learning

Friday 8<sup>th</sup> March 2019

### Junk Modelling

Thank you for bringing in junk modelling. We no longer need junk modelling.

### Our Learning this Week:

In Literacy, we continued our book *The Smartest Giant*. We completed doing some activities around World Book Day and completed a story map based on *The Smartest Giant*.

In Numeracy, we had halving (or sharing) numbers/ resources using concrete materials to help us!

### Next Week

Our focus book for next week is **The Hungry Caterpillar** and concentrating on the days of the week.

**In Numeracy**, we will be continuing to extend our knowledge of *adding* on number lines.

Next week is also Science week- we will be carrying out scientific experiments around the school and making observations.

### Guided Reading

We have started to send guided reading books out again, please ensure that you read the book with your child everyday and leave a comment in their yellow reading records.

### WOW Books

This week in your Wow Books, you could show us a healthy food plate!

### Soft Finish

Next soft finish is 15<sup>th</sup> March 2019.

### Key rings on book bags

Please do not put key rings onto your children's book bags as they are starting to get in the way and cause problems during the school day. We will allow **ONE** key ring per book bag.
