Spring 2019 Issue 6

Classrooms get new interactive teaching screens

Thanks to the fantastic fundraising achievements of last year the PTA has funded the purchase of 9 new state-of-the-art interactive teaching screens. Installed over half term the teachers and pupils have been sharing their excitement.

The 9 screens cost around £30,000 and without your support and the work of the PTA, it would not have been possible. So please continue to help us fundraise.

Money raised 2018/19 so far...

Building on the amazing autumn events, the disco, quiz night and other activities have helped to increase the running total to a fantastic amount.

| | |
|------------------------------|----------------|
| NES PTA Ealing Marathon Team | £11,000 |
| Autumn Disco | £2,200 |
| Christmas Fair | £6,000 |
| Bag2School | £120.00 |
| Spring Disco | £1,500 |
| Quiz Night | £1,500 |
| Total | £22,320 |

THANK YOU!

Bee Garden

Thanks to some generous parents, companies and the PTA Gardening Club the North Ealing Bee Garden has been brought to life this term and looks fantastic. Thank you so much to everyone who was involved.

Summer Fete calling!

The date is set, the weather is booked and we have already started to plan a fun filled day of entertainment. There will be some new events such as a Science Boffins show and the Last One Standing game, alongside the popular regulars such as the Year 6 stalls, BBQ and stage performances. If you would like to be involved please contact your class rep or email us.

We also still need help with:

Communications: Our current communications parent is now in Year 5 and we really need someone to take over from them. If you can help with writing emails, newsletters and our social media presence, please do get in touch.

Event organisers: Running the smaller events at school such as the disco, Easter Egg Hunt and uniform sales, is not as time consuming as you may think and that they really can be fun!

All roles can be shared. If you want to know more, please do get in touch.

Other ways to help...

Your PTA is a registered charity and relies upon your donations.

Easy Fundraising

It really is as easy as it says!

Before you make an online purchase, visit the easy fundraising site. Each transaction results in a percentage going towards the school. There are literally thousands of retailers; from M&S to Amazon, Ebay and many more. Log onto

www.easyfundraising.org.uk

Standing Order

There is a facility to donate money to the school via a standing order. Any amount would go a long way towards enhancing our children's education and the valuable resources within school.

Matched funding

So far, approximately one fifth of funds raised through PTA events comes from matched funding. If you or your partner work for a large organisation it may be worth enquiring whether they have a matched funding programme which encourages employees to undertake community or charity work and matches any funds raised as a volunteer. It would be fantastic if we could raise more through this channel in the next academic year. This also applies if your year group is running a stall at the Summer Fair – you can ask your company to match fund the money that is raised by that stall.

Although fundraising is a crucial part of the PTA's role, it is also a lot of fun and a great way to meet other parents as we are sure you will find out if you join us at one of the varied events throughout the school year.

Diary Dates

PTA Committee Meeting – 16th May 6.45pm
Summer Fair – 6th July 12.30-4pm
