Linking our Learning

Friday 21st June 2019

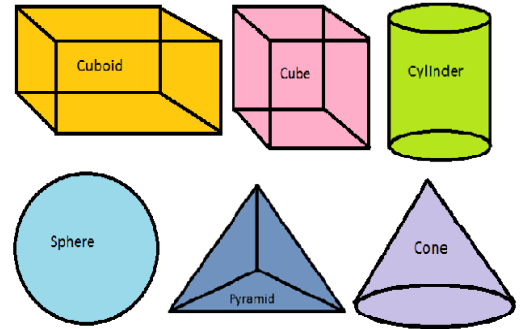

Parent talk reminder

Friday 28th June – ‘Preparing your child for reading in Year 1’
2.30pm in the New Hall.

Our Learning this Week:

In Literacy we have been using the Talk for Writing scheme to act out the story of ‘The Little Red Hen’. We have really enjoyed it- encourage your child to show you at home!

In Maths we have been recapping 2D and 3D shapes, talking about their properties to consolidate our learning. Encourage your child to identify the 3D shape and its properties at home!

Next Week

In Literacy we are going to carry on with the Talk for Writing and ‘The Little Red Hen’ using a story map.

In Maths are recapping operations such as plus and minus, to consolidate this year’s learning.

(Weather permitting!) We are going to visit Pitshanger Park to do some sketches of nature. As well as this, we will be making bread/sandwiches to relate to our story.

Guided Reading

Please ensure that you read the book with your child everyday and leave a comment in their yellow reading records.

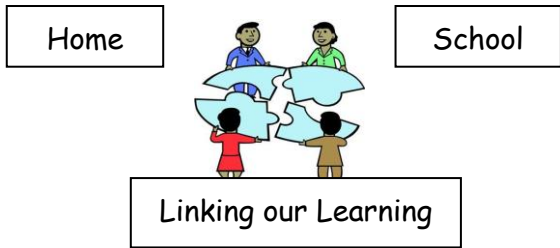

WOW Books

You could search your home for objects that are 3D shapes and draw them into your WOW books (and if you’re feeling extra motivated write its properties!).

Soft Finish

On Friday the 28st of June there will be a parent talk - ‘Preparing your child for reading in Year 1’
in the **new hall** at **2.30pm**

Key rings on book bags

Please do not put key rings onto your children's book bags as they are starting to get in the way and cause problems during the school day. We will allow **ONE** key ring per book bag.

Our trip to Hanwell Zoo is on 19th July. If you have volunteered or wish to volunteer, please make yourself known to the class teacher or an EYP. We really appreciate it!
